Kuna Arts Commission Regular Meeting Minutes May 11, 2021 **ACTION ITEM**

No meeting in May.

3. Business:

(Timestamp 00:04:37)

A. Time line for unveiling of the standing art project/unveiling recommendation – ACTION ITEM

Stacy gave update on the completion of the items – the only thing that isn't complete is the water tower fountain. Chair Seamons asked where they were going to be placed and Stacy gave update on locations for where they were going to be placed.

Stacy recommended a reveal for the unveiling. She recommended releasing balloons with the KAC logo on them (cost for 300 balloons would be \$78). Placing balloons at each location and having them all cut at once.

Commissioner Artukovich asked to look into a biodegradable option. Stacy agreed to look into that option and also to possibly check into lowering the amount.

B. *Much Ado About Nothing* dinner theatre proposal – ACTION ITEM
(Timestamp 00:12:35)

Stacy presented option of partnering with the Renaissance Fair (October) and having a dinner theatre option as part of it.

Vice Chair Rippy said that they have always considered a dinner theatre option but they are probably a year out due to lack of actors. Well behind where they would need to be to produce in October.

Commissioner Artukovich suggested partnering outside of Kuna possibly with Boise State.

Vice Chair Rippy suggested possibly a needs analysis.

Stacy agreed to do some research on theatre groups within the valley and see if they would be willing to work with us.

Commissioner Artukovich suggested we make sure that we put on quality.

Vice Chair Rippy said we can reach out to the Boise Bards and BSU won't have actors back until August. Need minimum 8 weeks rehearsal, additional month to help people through the language issues. At least 12 weeks out so October isn't a realistic time frame.

Chair Seamons asked to table this and remove from action items to a research item since we aren't able to be ready by this October. No official vote was taken on this item. Asked to find out if we will lose this part of the budget.

Stacy agreed to see if it can be rolled into the next fiscal year and to look at a budget.

C. KAC art piece digital portfolio – ACTION ITEM
(Timestamp 00:28:51)

Stacy explained what the digital portfolio would look like and requested pictures, videos or any thing the members may have to help add to it.

4. Reports:

(Timestamp 00:30:34)

A. Update on *Much Ado About Nothing* – Vice Chair Rippy

Item was tabled earlier so no further discussion was needed.

B. Report on Home Town Fair hot dog sales – Chair Seamons

Chair Seamons gave report on the money taken in. She asked for an official report on the money taken in vs. what was sold.

C. Update on the dance project – Commissioner Artukovich

Commissioner Artukovich gave update on dance project and working with independent Idaho artists to create a specific track. Looking to put in a digital portfolio. For the most part the project is on hold due to how busy the year is.

Chair Seamons brought up possibly using TikTok as a resource for Kuna in Motion.

5. *Set Items for Next Agenda*

(Timestamp 00:47:37)

Commission discusses timeline for getting agenda items in for the next meeting.

6. *Adjournment:* 12:55 PM
