## CITY OF KUNA

Kuna City Hall Conference Room, 751 W 4th Street, Kuna, Idaho 83634

### Kuna Economic Development Committee MINUTES

Thursday, October 5, 2017

12:00 P.M. – 1:00 P.M.

#### 1. Update on Applicants for Economic Development Position.

So far there had been 26 applicants. One had risen to the top of the stack. That person worked for another City and had all the qualifications and more that Kuna was looking for. A summary of work experience from other applicants included several from the banking industry, retail, and mental health fields.

#### 2. Discuss questions for Economic Development Position interviews.

The Economic Development Committee was asked for their input on questions they thought should be asked during the interviewing process. The questions suggested were:

- Who will be the first five people you will call?
- What type of businesses do you feel are a good fit for Kuna?
- What are your plans for existing businesses?
- What would you be willing to do outside your scope of job to be invested in Kuna?
- What type of experience do you have with event planning on a larger scale, such as national festivals?
- Why do you want to leave your current position?
- What do you know about Kuna?
- How could the youth be tied/incorporated into economic viability?
- What would your best-friend say about you?
- What would the chief of police say about you?
- How can you make Kuna more sustainable in regards to a better balance of homes and commercial?

There was a suggestion to have the applicant's answer questions in writing before the interview; then go over the answers.
