Good morning,

The Boise Project Board of Control will end irrigation water deliveries on Wednesday, September 15, 2021. As a result, the City of Kuna will end gravity and pressurized irrigation deliveries Monday, September 13, 2021.

Boise Project announcement on their homepage- <http://boiseproject.net/>

If you have any questions please contact (208) 922-5546

Thank you!
