1. **Interior lots:** Solid or closed non-vision fences to a height of thirty-six (36) inches, or open vision fences to a height of forty-eight (48) inches may be built within the front yard setback to the inside of the existing sidewalk or to the inside of the proposed future sidewalk with a license agreement from the Ada County Highway District, or other appropriate agency who controls use of the public rights-of-way. A fence of seventy-two (72) inches in height may be built behind the front dwelling setback along the property boundary. See **Illustration #1**
2. **Corner lots:** Solid or closed non-vision fences to a height of thirty-six (36) inches, or open vision fences to a height of forty-eight (48) inches may be built within the front dwelling and street side yard setback to the inside of the right-of-way line with a license agreement from Ada County Highway District, or other appropriate agency who controls use of the public right-of-way. A fence of seventy-two (72) inches in height may be built along the side property lines adjacent to an interior lot from the front dwelling setbacks. See **Illustration #2**
3. **Back-to-back corner lots:** Where two (2) corner lots are back-to-back, with no vehicle access to the roadway adjacent to the side yard of either home, the side yard fence may be solid, or open to a maximum height of seventy-two (72) inches, except within the clear vision sight triangle.
